

FINE DINING

Only in Vegas do you have options when dining on culinary creations of some of the most famed and celebrated chefs in the world. Reserve your coveted seat at Restaurant Guy Savoy inside Caesars Palace to savor one of the French masterpieces that can usually only be found in Paris. For an unmatched experience, Lakeside boasts the freshest Hawaiian seafood flown in daily, enjoyed alongside the Lake of Dreams at Wynn Las Vegas.

HIDDEN GEMS

Tucked away in unassuming locales are some of the most exciting and delicious dining experiences. Nestled in an inconspicuous strip mall adjacent to the Strip, Golden Steer, an opulent steak house, remains a Las Vegas institution serving the thickest cuts of beef imaginable. Humbly located in the Arts District, Esther's Kitchen serves hand-crafted Italian dishes that make it a local favorite. Literally hidden, go on a quest to find a delicious cheesy slice at Secret Pizza inside The Cosmopolitan of Las Vegas.

ONLY IN VEGAS

Embody the true Las Vegas spirit with a meal at restaurants that are like no place else. Lean into the city's unique history with a view to match at Top of Binion's Steakhouse. Enjoy a down-home meal seated fireside at the renowned diner, Peppermill. Or head to the rooftop to relish the creative small plates at hometown mainstay, Carson Kitchen.

BUFFETS

As one of Las Vegas' signature dining styles, buffets here are like nowhere else, featuring masterfully curated dishes and limitless options. Wicked Spoon, located inside The Cosmopolitan of Las Vegas, offers well-crafted recipes using top-quality ingredients catering to all appetites with an upscale atmosphere. A.Y.C.E. Buffet at Palms has a wide variety of choices served in a welcoming and down-to-earth environment, so you can take your time.

BRUNCH

Brunch isn't just a meal in Las Vegas, it's an institution. Take your brunch al fresco overlooking the Bellagio fountains at Paris Las Vegas' Mon Ami Gabi, or take a more casual approach with chicken and waffles at The Park at Bruxie. But whatever you do, don't miss this essential part of the day.

EVENT/FESTIVAL EATS

On top of the culinary masterpieces that can be found around town every day, big festivals and events forego the typical concession stands and instead rely on local restaurants to serve up their fine fare. In fact, even the newly minted Las Vegas Ballpark serves delicious food like Ferraro's, Me Gusta Tacos, and Giada De Laurentiis' signature, Frosé.
